RE: Air Quality Standards (35 Ill. Adm. Code 243)  
42 Ill. Reg. 20601 - 11/26/18

Dear Chairman Papadimitriou:

In closing the above reference file, JCAR Staff discovered an error in the Department's filed rulemaking. This matter can be corrected by Expedited Correction or by PCB's next rulemaking on this Part.

Specifically, the errors were:

- Sec. 243.120(b), final Board Note, last sentence: "both this subsections (b)(4) and (c)(4)". Can this be corrected by deleting "this", by changing the phrase to "both this subsection (b)(4) and subsection (c)(4)", or by some other means?
- Sec. 243.126(a), Board Note:
  - 1<sup>st</sup> line: "this subsection (a) is derived". Should this be "This subsection (a) was derived"?
  - 5<sup>th</sup> line: In "75 Fed Reg. 71033". "fed" needs a period.

If we can be of any assistance in correcting these problems, please contact Jonathan Eastvold of this staff at 217/785-2254.

Sincerely,  
  
Vicki Thomas  
Executive Director
