ORDER OF THE BOARD (by E. Dunham):

On October 23, 1995, American Waste Processing (American) filed a status report in response to the Board order of August 24, 1995. Petitioner has provided the Board with an open waiver of the decision deadline in this matter.

After the hearings in this matter were concluded, the parties agreed that the petitioner should file a new Part B application. A new Part B permit application has been filed by petitioner and has been accepted for completeness by the Agency.

A draft permit was issued on May 24, 1995 with a forty-five day comment period. No comments were received during the comment period. A permit was issued on September 29, 1995 with an effective date of November 3, 1995. Petitioner is reviewing the content of the permit. American requests that the Board continue to defer consideration of the record in this matter until the review process is complete.

The Board will continue to defer review of this matter. The Board directs the parties to file status reports or a joint status report on or before December 15, 1995, unless this case is otherwise resolved or dismissed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the _____ day of _____, 1995, by a vote of _____.
