CONCURRING STATEMENT (by J.D. Dumelle):

This case, a contested permit appeal, was filed with this Board on October 24, 1985. Now some 5 years and 1 day later it is being dismissed. It should not have languished that long and that is partly this Board's fault. It should have been ordered to hearing in 1987 at the latest.

Board Member

I, Dorothy M. Gunn, Clerk of the Illinois Pollution control Board hereby certify that the above Concurring Statement was submitted on the 29th day of October, 1990.
