ORDER OF THE BOARD (by Mr. Henss)

The City of Harvard submitted a letter on July 10, 1973 requesting permission to burn trees which had been damaged by storm or Dutch Elm disease. The request did not give us that information which is required under our Procedural Rule No. 401 and was therefore inadequate as a variance petition. In recognition of this, the City of Harvard has now requested that the letter be withdrawn. It is stated that the City of Harvard will file a variance petition containing more information at a future time.

This proceeding is therefore dismissed at request of Petitioner and for the further reason that the variance petition is inadequate.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted this 23RD day of August, 1973 by a vote of 3 to 0.
