Dear Brad:

It would be a motion to stay the entire proceeding and we will label it that way in the heading.

Kind regards,

Thor

My apologies to all, but was Arnold going to file a motion to stay the entire proceeding or just the due dates for filings, such as respondent's motion under Section 101. 506 and Arnold's response to that motion? The due dates would not include the record which is scheduled to be filed July 29. If the Board were to grant the stay, it would be commensurate with the decision deadline. If Arnold wants longer, it would have to kick the due date out further. Please see Sec. 101.514 of the Board's procedural rules. Thanks and let me know so I can issue an order.

Dear Brad:

Per your Order, we are scheduled to have a call on July 19, 2016 at 10am. It turns out that both Katie and I have a meeting together that day on a separate matter which conflicts with this call. Can we move the call to

sometime on July 20th? If we need to look at the 21st or 22nd, please let us know and we can provide you with our availability.
