OPINION AND ORDER OF THE BOARD (by G.M. Keenan):

On September 5, 2012, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a one-count complaint against Nacme Steel Processing, LLC. The complaint concerns Nacme’s steel processing facility located at 429 West 127th Street, Chicago in Cook County. The parties now seek to settle without a hearing. For the reasons below, the Board accepts the parties’ stipulation and proposed settlement.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2014)), the Attorney General and the State’s Attorneys may bring actions before the Board on behalf of the People to enforce Illinois’ environmental requirements. *See* 415 ILCS 5/31 (2014); 35 Ill. Adm. Code 103. In this case, the People allege that Nacme violated Sections 39.5(5)(x), 39.5(6)(b), and 39.5(9)(b) of the Act (415 ILCS 5/39.5(5)(x), 39.5(6)(b), and 39.5(9)(b) (2014)). The People further allege that Nacme violated these provisions by operating a major stationary source without a Clean Air Act Permit Program (CAAPP) permit.

On July 23, 2015, the People and Nacme filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2014)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2014)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). The Board provided notice of the stipulation, proposed settlement, and request for relief. The newspaper notice was published in *The Chicago Sun-Times* on August 14, 2015. The Board did not receive any requests for hearing. The Board grants the parties’ request for relief from the hearing requirement. *See* 415 ILCS 5/31(c)(2) (2014); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board’s procedural rules sets forth the required contents of stipulations and proposed settlements. *See* 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of Nacme’s operations. Section 103.302 also requires that the parties stipulate to facts called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2014)), which bears on the

reasonableness of the circumstances surrounding the alleged violations. Nacme does not affirmatively admit the alleged violation. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2014)), which may mitigate or aggravate the civil penalty amount. Nacme agrees to pay a civil penalty of \$7,500. The People and Nacme have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.
