ORDER OF THE BOARD (by C.K. Zalewski):

On March 1, 2017, the parties timely filed a joint notice to extend the 35-day period within which The Clean Machine, Inc. (petitioner) may appeal a January 24, 2017 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2014); 35 Ill. Adm. Code 101.300(b), 105.404(b), 105.406. In the determination, the Agency conditionally approved petitioner's site investigation completion report with the Agency's modifications, and modified petitioner's actual costs budget for Stages 1, 2, and 3 of the leaking underground storage tank site investigation. The Agency's determination concerns petitioner's car wash facility located at 4311 North Belt West in Belleville, St. Clair County.

The Board extends the appeal period until June 1, 2017, as the parties request. *See* 415 ILCS 5/40(a)(1) (2014); 35 Ill. Adm. Code 105.406. If petitioner fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Don A. Brown, Assistant Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on March 23, 2017, by a vote of 5-0.
