INTERIM OPINION AND ORDER OF THE BOARD (by Mr. Goodman):

This matter comes before the Pollution Control Board (Board) upon all parties motion for intervention by the Round Lake Area Concerned Landowners, Citizens and Developers Association, a continuance of hearings, and a request for a hearing before the Board "in person".

It is the opinion of the Board that an adequate hearing will be provided by the Board's duly appointed hearing officer and that the presence of the Board at such hearing would provide no useful purpose.

a) The Round Lake Area Concerned Landowners, Citizens and Developers Association is hereby granted permission to intervene in this consolidated cause; and

b) The hearing in this cause is hereby continued for 60 days from the date of entry of this order; and

c) The Clerk is hereby directed to publish notice pursuant to section 33(c) of the setting of said hearing. Said notice shall contain in addition to the date, time, place of the hearing, the following:

"The public is hereby notified that the hearing in this cause may affect the right of the public individually or collectively to the use of community sewer or water facilities provided by the Round Lake Sanitary District, an Illinois Municipal Corporation. Information concerning the above entitled cause is available through the Clerk of the Pollution Control Board, 309 West Washington, Chicago, Illinois 60602."; and

d) The petition for a hearing to be conducted in the presence of the full Pollution Control Board is hereby denied.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Opinion and Order were adopted on the 15th day of May, 1975 by a vote of 5-0.

Christan L. Moffett, Clerk
