HEARING OFFICER ORDER

On March 29, 2017, a telephonic status conference was held. I was informed that the Illinois Environmental Protection Agency (Agency) is currently responding to Metropolitan Water Reclamation District's comments to the draft permit. The Agency is hopeful that it will notice the draft permit within the next ten days.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on May 18, 2017, at 9:15 a.m. The telephonic conference must be initiated by the petitioners, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
