ORDER OF THE BOARD (by Dr. Odell)

On July 21, 1975, the Complainant filed with the Illinois Pollution Control Board (Board) a Motion for Extension of Time in Which to File Parties' Response to the Board's Order of May 8, 1975. An extension to August 20, 1975 was requested. Complainant also requested that the Board order Respondent to file his proposal for compliance on or before August 6, 1975.

Complainant's Motion stated that "A meeting was held on June 12, 1975 among the parties and several of the aforementioned Homeowners wherein Counsel for Respondent agreed to prepare a specific proposal for compliance in preparation for timely response to the Order entered on the aforesaid date. On July 14, 1975, the Complainant contacted Counsel for Respondent as to the status of that proposal. As of Friday, July 18, 1975 there had been no communication as to the proposal by Counsel for Respondent. It is Complainant's position that the interests of the affected Homeowners would best be served by continuing negotiations in order to reach an agreement with them rather than to order the terms of Respondent's compliance."

Complainant's Motion for Extension of Time to File Parties' Response to the Board's May 8, 1975 Order is hereby granted. Respondent is hereby ordered to file his proposal for compliance on or before August 6, 1975.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Opinion and Order was adopted on the 24th day of July, 1975, by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
