OPINION AND ORDER OF THE BOARD (by D. Glosser):

On March 7, 2014, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a one-count complaint, and on March 14, 2014, the People filed an amended complaint against Hendrickson USA, L.L.C. The complaint concerns Hendrickson USA's automotive parts manufacturing facility at 501 Canton Farm Road, Crest Hill, Will County. The parties now seek to settle without a hearing. For the reasons below, the Board accepts the parties' stipulation and proposed settlement.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2012)), the Attorney General and the State's Attorneys may bring actions before the Board on behalf of the People to enforce Illinois' environmental requirements. *See* 415 ILCS 5/31 (2012); 35 Ill. Adm. Code 103. In this case, the People allege that Hendrickson USA violated Section 9(a) of the Act, 415 ILCS 5/9(a) (2012); Section 201.302(a) of the Board Air Pollution Regulations, 35 Ill. Adm. Code 201.302(a); and Section 254.137(a) of the Illinois Environmental Protection Agency Air Pollution Regulations, 35 Ill. Adm. Code 254.137(a) by failing to submit an annual emissions report.

On May 27, 2014, the People and Hendrickson USA filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2012)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2012)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). The Board provided notice of the stipulation, proposed settlement, and request for relief. The newspaper notice was published in *The Herald-News* on June 6, 2014. The Board did not receive any requests for hearing. The Board grants the parties' request for relief from the hearing requirement. *See* 415 ILCS 5/31(c)(2) (2012); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board's procedural rules sets forth the required contents of stipulations and proposed settlements. *See* 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the

nature of Hendrickson USA's operations. Section 103.302 also requires that the parties stipulate to facts called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2012)), which bears on the reasonableness of the circumstances surrounding the alleged violations. Hendrickson USA admits to the alleged violation. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2012)) that may mitigate or aggravate the civil penalty amount. Hendrickson USA agrees to pay a civil penalty of \$5,000 within thirty days from the date the Board adopts and accepts this Stipulation. The People and Hendrickson USA have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.
