ORDER OF THE BOARD (by Mr. Dumelle):

Motion to Amend Order filed June 5, 1974 is denied without prejudice. The Agency, in its comments filed July 29, 1974 needs more time in which to study the relocation of Mauvaise Terre Creek. Thus the issue is not ripe for decision for this and other reasons.

The Board would wish to hold a hearing on the subject if the differences in opinion between parties continue. The petitioner (and respondent in the instant case) may refile a petition for variance from a Board order or may amend the instant motion to do so but should further respond to the Agency's objections to the changes requested.

The Motion to Amend Order is denied without prejudice.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 8th day of August, 1974 by a vote of 4-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
