**HEARING OFFICER ORDER**

On July 26, 2016, petitioner participated in a telephone status call with the hearing officer. Respondent did not appear. There had been some forward momentum on this permit in the last year, but it seems to have stalled. As last reported, respondent was going to consider petitioner's request to update the draft permit by incorporating changes to federal rules over the last decade, as well as the facility's various construction permits through the years. If respondent's attorney is unable to attend the next status conference, he is directed to contact petitioner's attorney in advance with an update.

The parties are directed to participate in a telephone status conference with the hearing officer at 1:30 p.m. on October 25, 2016. Petitioner shall initiate the call or circulate a conference call-in number.

The parties have consented to electronic service, and petitioner has filed an open waiver of the statutory decision deadline in this matter.

IT IS SO ORDERED.
