**HEARING OFFICER ORDER**

On October 3, 2016, the parties participated in a telephone status conference with the hearing officer. In an effort to resolve this appeal, the parties will work on corrections to the original permit application. The corrections do not include updates to federal rules and petitioner's intervening construction permits. The parties do not know how long this will take, but respondent is drafting a statement of basis for petitioner's review.

The parties are directed to participate in a telephone status conference with the hearing officer at 11:00 a.m. on November 1, 2016. Petitioner will circulate a conference call-in number.

The parties have consented to electronic service, and petitioner has filed an open waiver of the statutory decision deadline in this matter.

IT IS SO ORDERED.
