INTERIM ORDER OF THE BOARD (by Mr. Dumelle)

The petition filed July 31, 1973 is inadequate. The exact number of employees and the flow to the proposed sewer connection is not given. The sewage treatment plant to which this sewage will flow is not named.

Petitioner is ordered to supply the requested information within 35 days and to file a waiver for the time which elapses between the July 31 original filing date and the filing of the amended petition from the 90-day period in which the statute mandates a variance decision.

The Lake County Department of Public Health is requested to report on this case and to give their recommendations as to whether connection ought to be allowed or whether repair or rehabilitation is feasible.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Interim Order was adopted on the 9th day of August, 1973 by a vote of 3-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
