

nature of Clifford-Jacobs's operations. Section 103.302 also requires that the parties stipulate to facts called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2018)), which bears on the reasonableness of the circumstances surrounding the alleged violations. Clifford-Jacobs does not affirmatively admit the alleged violations. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2018)), which may mitigate or aggravate the amount of the civil penalty. Under the proposed settlement, Clifford-Jacobs agrees to pay a civil penalty of \$5000 within 30 days after the date of this order. The People and Clifford-Jacobs have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.
