Jacob,

Look the message below. There is mistake in the applicant's name, which was directly taken from the original application form. Is there anyway to correct it without re-issue the memo. If you need another memo, please let me know.

Wei,

My clients forwarded this to me this morning with the concern the name of the facility is incorrect. It should be Layers, Inc. not Lavers, Inc. It looks like the PDF form cut off the y to make it a v. How can we get this corrected?
