HEARING OFFICER ORDER

On December 12, 2019, all parties participated in a telephonic status conference with the hearing officer. Discussions centered on the respondent's pending motion for reconsideration. Because the motion is still under review, the status conference was continued to the date and time noted below.

Complainants also suggested that discovery proceed on the Waukegan Station because that is not part of the motion under review. Respondent objected. Complainants were directed, if they so choose, to file a motion addressing their request.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on January 23, 2020, at 11:30 a.m. The telephonic status conference must be initiated by the complainants, but each party is nonetheless responsible for its on appearance.

IT IS SO ORDERED.
