HEARING OFFICER ORDER

On February 15, 2017, the parties participated in a telephone status conference with the hearing officer. Within the next 30 days, petitioner will file a status report and motion to stay the proceedings. Site work is on-going, and petitioner continues to negotiate a consent order in the related circuit court case. At this stage of the legal proceedings, petitioner cannot be sure whether this appeal is needed. It is unlikely that this docket will be resolved in the next year. Respondent does not object to a stay.

If the motion for stay is not filed within 30 days, or the Board does not grant the motion for stay, another status conference will be scheduled.

The parties consent to electronic service, and petitioner filed an open waiver of the decision deadline.

IT IS SO ORDERED.
