ILLINOIS POLLUTION CONTROL BOARD January 24, 1974

VILLAGE OF WINNETKA)	
ν.))	PCB 73-338
ENVIRONMENTAL PROTECTION AGENCY)	

ORDER OF THE BOARD (by Mr. Dumelle):

Motion filed January 16, 1974 to modify the order of December 20, 1974 asks a deletion of the performance bond requirement and an extension of the variance until November 20, 1974.

Petitioner asks that the burden of demonstrating a health hazard, if any, should rest upon the Environmental Protection Agency. This would be contrary to Procedural Rule 401(a)(2).

For the reasons outlined in the previous Opinion and Order of the Board, we deny the motion both as to a deletion of performance bond requirements and as to an extension of the variance to November 20, 1974.

Time is granted for 21 days from the date of this order in which to file the performance bond with the Agency in consideration of the delays in receipt of the original order.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 34 + 9 day of January, 1974 by a vote of _____.
