ORDER OF THE BOARD (by J. Marlin):

On July 17, 1989, the United City of the Village of Yorkville (Yorkville) filed a Motion for Expedited Decision in this matter. Yorkville states that "it is essential...to obtain an expedited decision in that a large subdivision is currently ready to install extensions of City water mains, and to provide service for model homes within the next 30 days". The Agency filed no response to this motion. Yorkville's motion is granted to the extent that the Board will render a decision in this matter as expeditiously as possible, consistent with the need to attend to other matters of the Board's pending caseload.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 27<sup>th</sup> day of July, 1989, by a vote of 6-0.

  
Dorothy M. Gunn, Clerk
