**HEARING OFFICER ORDER**

On September 20, 2016, the parties participated in a telephone status conference with the hearing officer. While a permit based on petitioner's original appeal is ready for public notice, petitioner would like to incorporate updates to federal rules, as well as the facility's construction permits issued since 2004. The Agency proposes to issue the permit without the updates to resolve this appeal. At that time, the permit may be reopened to incorporate any necessary updates. The parties plan to meet this week to discuss this approach.

The parties are directed to participate in a telephone status conference with the hearing officer at 11:00 a.m. on October 3, 2016. Petitioner will circulate a conference call-in number.

The parties have consented to electronic service, and petitioner has filed an open waiver of the statutory decision deadline in this matter.

IT IS SO ORDERED.
