ORDER OF THE BOARD (by Mr. Dumelle):

Motion for Extension of Variance filed December 4, 1974 is not opposed by the Environmental Protection Agency in its Answer filed December 11, 1974. It was not timely filed under Board Procedural Rules.

The October 10, 1974 order of the Board is modified in Paragraph No. 1 to grant and extend the variance from Rule 204(f) (2) until December 31, 1974 instead of December 1, 1974. All other conditions of the Board order of October 10, 1974 remain as initially issued.

The extension is granted to allow time to analyze the test results of December 4, 1974 and to take appropriate action when those results are known.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 19th day of December, 1974 by a vote of 4-0.
