ORDER OF THE BOARD (by Mr. Dumelle):

The First National Bank of Springfield, Trustee of Trust #3010 (hereinafter "Petitioner"), on January 29, 1975 filed a Motion to Reconsider the Opinion and Order of the Board entered on December 19, 1974 which denied the requested variance in the above-captioned case. The Environmental Protection Agency (hereinafter "Agency") filed a Response to the Motion to Reconsider on February 10, 1975.

Rule 334 of the Pollution Control Board's Procedural Rules allows for motions subsequent to entry of final orders to be filed within 35 days after the entry of the final order and within such further time as the Board may allow. Petitioner's Motion to Reconsider was not filed during the 35 day period. Petitioner has, in addition to filing the Motion to Reconsider, filed an appeal on the Board's decision.

Having fully considered each of the 7 points raised by Petitioner in its Motion to Reconsider, together with the attachments, the Board does not find that Petitioner has raised questions of sufficient merit which would warrant reconsideration of the Opinion and Order entered in the above-captioned case.

The Pollution Control Board hereby denies the Motion to Reconsider.

IT IS SO ORDERED.

Mr. Henss abstained.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 14<sup>th</sup> day of February, 1975 by a vote of 3-0
