ORDER OF THE BOARD (by Mr. Dumelle)

Petition filed August 21 (dated August 24) is inadequate since it does not state clearly whether the residence for which variance is desired is contemplated, under construction or completed. Furthermore the exact date of the building permit is not given nor is any reason as to why it was issued in the face of the Board order prohibiting sewer connections.

Lastly, the amount invested is not given, nor the losses being incurred.

Petitioner is ordered to supply additional information within 35 days. If it is not supplied the petition may be dismissed as being inadequate.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 23RD day of August, 1973 by a vote of 3-0.
