ORDER OF THE BOARD (by Mr. Marder)

The Environmental Protection Agency filed on July 9, 1974, a motion to dismiss the above titled action. The action was originally filed on September 27, 1973, charging certain violations of the Board's Rules and Regulations. Upon Motion of Parties the Board struck the original complaint and allowed leave to the Agency to file an Amended Complaint.

The Agency now contends that other actions involving Respondent (PCB 73-396, PCB 73-530) have resolved the problems raised in the instant complaint, and the Agency does not contemplate filing an Amended Complaint. It would seem that by agreement of the parties, the case should be terminated. The Board agrees and will so order.

ORDER

IT IS THE ORDER of the Illinois Pollution Control Board that the complaint entitled PCB 73-409 be dismissed without prejudice.

I, Christian L. Moffett, Clerk of the Illinois Pollution Control Board, certify that the above Order was adopted by the Board on the 18th day of July, 1974, by a vote of 5 to 0.
