RIDGEVIEW DEVELOPMENT COMPANY, )

v. ) PCB 74-90  
ENVIRONMENTAL PROTECTION AGENCY,) )  
Respondent. )

ORDER OF THE BOARD (by Dr. Odell)

Ridgeview Development Company filed a Petition for Variance on March 12, 1974, seeking to connect fifteen homes to the sewage system operated by the City of Monticello. The City of Monticello had a sewer ban in effect at the time of filing the petition. On March 28, seven citizens submitted a petition opposing the grant of a variance. The Environmental Protection Agency (EPA) filed its Recommendation on April 19, 1974. It recommended that the petition be dismissed as moot, because on April 2, 1974, the EPA issued Permit #1974-HB-539-OP allowing connection of the affected lots to the sewage system operated by the City of Monticello. On May 6 Petitioner moved to withdraw its Petition for Variance.

Motion to withdraw the Variance Petition of Ridgeview Development Company is granted, because the petition is now moot in light of the April 2 action of the EPA.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 4<sup>th</sup> day of May, 1974, by a vote of 5 to 0.
