On August 17, 2020, a telephonic status conference was held. Counsel for Aux Sable Liquid Products, Inc. and Aux Sable Liquid Products, LP, and counsel for complainant appeared. Note that on July 17, 2020, respondents Clean Harbors Environmental Services and Waste Management of Illinois filed a stipulation and proposal for settlement to be considered by the Board and was not be required to participate in the telephonic status conference.

Counsel for Aux Sable Liquid Products stated that it appears that a settlement has been achieved and that a stipulation and proposal for settlement is being circulated for signatures.

Aux Sable Liquid Products Inc. and Aux Sable Liquid Products LP, or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 29, 2020, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation and proposal for settlement is filed prior to the next status conference, the conference will be canceled without further order.

IT IS SO ORDERED.
