OPINION AND ORDER OF THE BOARD (by C.M. Santos):

On June 17, 2020, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a two-count complaint against the City of Chicago. The complaint concerns the City of Chicago’s water treatment plant located at 3300 East Cheltenham Place in Chicago, Cook County. The parties now seek to settle without a hearing. For the reasons below, the Board accepts the parties’ stipulation and proposed settlement.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2018)), the Attorney General and the State’s Attorneys may bring actions before the Board on behalf of the People to enforce Illinois’ environmental requirements. *See* 415 ILCS 5/31 (2018); 35 Ill. Adm. Code 103. In this case, the People allege that the City of Chicago violated Sections 12(a) and 12(f) of the Act (415 ILCS 5/12(a) and 12(f) (2018)) and Section 309.104(a) of the Board’s Water Pollution Regulations (35 Ill. Adm. Code 309.104(a)) through late renewal of a National Pollutant Discharge Elimination System (NPDES) permit and failure to submit discharge monitoring reports (DMRs).

On June 17, 2020, the People and the City of Chicago filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2018)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2018)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). The Board provided notice of the stipulation, proposed settlement, and request for relief. The newspaper notice was published in the *Chicago Sun-Times* on July 19, 2020. The Board did not receive any requests for hearing. The Board grants the parties’ request for relief from the hearing requirement. *See* 415 ILCS 5/31(c)(2) (2018); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board’s procedural rules sets forth the required contents of stipulations and proposed settlements. *See* 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of the City of Chicago’s operations. Section 103.302 also requires that the parties

stipulate to facts called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2018)), which bear on the reasonableness of the circumstances surrounding the alleged violations. The City of Chicago neither admits nor denies the alleged violations. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2018)), which may mitigate or aggravate the civil penalty amount. Under the proposed settlement, the City of Chicago agrees to pay a civil penalty of \$8,100 within 30 days after the date of this order. The People and the City of Chicago have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.

Illinois Supreme Court Rule 335 establishes filing requirements that apply when the Illinois Appellate Court, by statute, directly reviews administrative orders. 172 Ill. 2d R. 335.
