**HEARING OFFICER ORDER**

A telephonic status conference was held on December 9, 2003. Counsel for respondent Federal Die Casting Company did not appear due to a conflict. The telephonic status conference was rescheduled to the date and time noted below.

The parties are directed to participate in a telephonic status conference with the hearing officer on December 16, 2003, at 10:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and whether or not an extension of time to file respondents answers will be needed and whether the City of Chicago will object to a request for an extension of time.

IT IS SO ORDERED.
