

Electronic Filing: Received, Clerk's Office 10/09/2020 P.C. #67

From: [Dee Huie](#)
To: [Brown, Don](#)
Subject: [External] Rules for Coal Ash pollution
Date: Friday, October 9, 2020 11:27:38 AM

I support strong rules for coal ash pollution in Illinois, that protect human and environmental health. By allowing exceptions for polluters like the Lincoln Stone Quarry only weakens the rules and causes more damage to the health of our citizens and our fragile environment.

Sincerely,
Dee Huie
