ORDER OF THE BOARD (by J.D. Dumelle):

On September 16, 1986, American Hoechst Corporation (Petitioner) filed a petition for variance from 35 Ill. Adm. Code 304.124(a) until May 31, 1988 as that section relates to fats, oils and grease and Total Suspended Solids. On December 8, 1986, the Illinois Environmental Protection Agency (Agency) filed its recommendation on the variance request.

The Board questions whether since the filing of the Agency's recommendation, the business operations of Petitioner may have changed from that described in the petition for variance. The Board hereby requests that the Petitioner submit a status report on the petition for variance providing the Board with (1) an updated description of Petitioner's present operations and (2) an indication of the manner in which Petitioner intends that this matter proceed. If such status report is not filed within forty-five (45) days of the date of this order, this matter will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 19th day of May, 1988 by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
