HEARING OFFICER ORDER

On October 15, 2020, all parties participated in a telephonic status call with the hearing officer. The petitioner reported that it is still working with the Agency on the components of a mixing zone to address the permit issue, including seasonal testing of some components. Petitioner stated that it would file an additional waiver of the statutory decision deadline to and including April 30, 2021.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on January 14, 2021, at 10:30 a.m. The telephonic conference must be initiated by the petitioner, and a call-in number, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter.

IT IS SO ORDERED.
