HEARING OFFICER ORDER

On October 16, 2020, all parties participated in a telephonic status conference with the hearing officer. The petitioner gave an oral summary and followed-up with a written summary on October 22, 2020. The petitioner reports that the Agency has issued a reopener CAAPP permit and it plans to dismiss once the Petition to object deadline passes and that no appeal is filed concerning USEPA’s denial of certain citizen groups’ Petition to object is filed.

The petitioner stated that it will file an additional waiver of the statutory decision deadline to and including April 30, 2021.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 3, 2020, at 10:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
