PCB No. 02-55
(Permit Appeal)

OPEN DECISION DEADLINE WAIVER

NOW COMES Petitioner, ESG Watts, Inc., acting by and through its attorney Larry A. Woodward, and pursuant to 35 Ill. Adm. Code §101.308(c)(1) waives the Pollution Control Board's deadline for final action in this matter for an open time period. In support Petitioner states:

1. The above-captioned permit appeal was filed with the Board on or about February 8, 2002. The permit appeal was taken from the Illinois Environmental Protection Agency's (IEPA's) denial of application for significant modification permit for the Watts Landfill located in Rock Island County, Illinois. The current decision deadline is October 17, 2003.

2. Because of subsequent submittals of information and permit application for closure of said landfill, which are still under review and are, if approved, contemplated to resolve this permit appeal; this matter needs to be extended generally.

Respectfully submitted by,
ESG Watts, Inc., Petitioner

By: 
Larry A. Woodward, Attorney for Petitioner
