HEARING OFFICER ORDER

On March 17, 2016, all parties participated in a telephonic status conference with the hearing officer. Congress Development Company (Congress) stated that the Illinois Environmental Protection Agency (Agency) has reviewed the most recent groundwater sampling. Congress disputes the draft significant modification denial and plans further discussions with the Agency. Counsel for the Agency stated that further discussions between the parties in an attempt to reach a resolution are scheduled for the near future.

The petitioner stated that it will file an additional waiver of the statutory decision deadline to and including August 18, 2016.

The parties or their legal representatives are reminded and directed to appear at a telephonic status conference with the hearing officer on May 5, 2016, at 9:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
