HEARING OFFICER ORDER

On April 21, 2016, all parties participated in a telephonic status conference with the hearing officer. The parties were informed that Johns Manville's (JM) motion to compel was denied and that a written order will be issued in the next seven days. The parties were also informed that I have not made a definitive decision on The Illinois Department of Transportation's (IDOT) motion to reschedule the hearing, and that the parties should proceed as if the hearing will be commenced on May 10, 2016.

Over objection, IDOT was given leave to file a reply to JM's response to IDOT's motion to reschedule the hearing. IDOT's reply is due to be filed on or before April 22, 2016. The discovery cut-off is extended to at least May 5, 2016, but will be revisited at the next status

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on April 28, 2016, at 12:30 p.m. The telephonic conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
