Subject: No Free Pass for Dynegy to Pollute! Case Number: PCB 2014-010

Dear Illinois Pollution Control Board,

I've been an asthma sufferer since I was 8. I've missed school, had problems in outdoor sports, and have had periods of cronic bronchitis. I am a medical student and do not live an unhealthy lifestyle (I'm slim, eat well, and exercise regularly).

Asthma and other respiratory ailments can significantly impact people's lifestyles, costing millions in health care, sick days , and dissability. Dirty coal and outdated facilities have time and time again been proven to have a direct coorelation with the incidence of respiratory ailments.

Protect the health of Illinois residents and future generations!  
Protect our families and children from harmful, easily reduced pollutants by rejecting the request (PCB 2014-010). Don't give Illinois coal plants a free pass to pollute. I urge you to reject the request (PCB 2014-010) to let five coal plants violate Illinois air pollution limits for the next five years.

Sincerely,  
Eliza Yanik

Subject: No Free Pass for Dynegy to Pollute! Case Number: PCB 2014-010

Dear Illinois Pollution Control Board,

Don't give Illinois coal plants a free pass to pollute. I urge you to reject the request (PCB 2014-010) to let five coal plants violate Illinois air pollution limits for the next five years.

I suffer from asthma and the pollution from these coal plants is exactly the type of thing that triggers it. Please protect the air that we all must breathe!

Sincerely,  
Janet Bennett-Hanchon

Subject: No Free Pass for Dynegy to Pollute! Case Number: PCB 2014-010

Dear Illinois Pollution Control Board,

Don't give Illinois coal plants a free pass to pollute. I urge you to reject the request (PCB 2014-010) to let five coal plants violate Illinois air pollution limits for the next five years.

This pollution affects people, animals, plants we grow and eat, our trees and contributes to the deterioration of our buildings.

All this destruction so some people can make more money?

Anyone who values air pollution and money over lives, health and the quality of our environment is either aggressively ignorant or a sociopath.

The phony excuses of job creation and economic growth are short-sighted and are an egregious injury to the people of Illinois.

Sincerely,  
Janet Stahlheber

Subject: No Free Pass for Dynegey to Pollute! Case Number: PCB 2014-010

Dear Illinois Pollution Control Board,

Don't give Illinois coal plants a free pass to pollute. I urge you to reject the request (PCB 2014-010) to let five coal plants violate Illinois air pollution limits for the next five years.

I suffer from severe asthma and, Governor, you have no idea what it is like to have an asthma attack caused by pollution. Just driving to do errands can cause you to have no oxygen getting into your lungs. You are suffocating. I know this wouldn't happen if the biggest air polluters were reigned in!!

Sincerely,  
Kathleen Hollingsworth

Subject: No Free Pass for Dynegey to Pollute! Case Number: PCB 2014-010

Dear Illinois Pollution Control Board,

Don't give Illinois coal plants a free pass to pollute. I urge you to reject the request (PCB 2014-010) to let five coal plants violate Illinois air pollution limits for the next five years.

A lot of people worked hard to protect air quality in Illinois, please don't throw it all away.

Sincerely,  
David Kellogg

Illinois Pollution Control Board, cc: Dynegy CEO Robert Flexon

Subject: No Free Pass for Dynegy to Pollute! Case Number: PCB 2014-010

Dear Illinois Pollution Control Board,

We can't afford five more years! Don't give Illinois coal plants a free pass to pollute. I urge you to reject the request (PCB 2014-010) to let five coal plants violate Illinois air pollution limits for the next five years.

The time is now! The hidden cost of this pollution does not figure in the balance sheet of Dynegy and other power companies, but as our governor and regulators, you have the power to hold the operators of these coal plants accountable. The time is now! the cost of fixing the problem will only rise, while countless kids and adults with asthma and other respiratory illnesses pay the price.

Sincerely,  
Jutta Helm

Subject: No Free Pass for Dynegy to Pollute! Case Number: PCB 2014-010

Dear Illinois Pollution Control Board,

Don't give Illinois coal plants a free pass to pollute. I urge you to reject the request (PCB 2014-010) to let five coal plants violate Illinois air pollution limits for the next five years.

The health and well-being of ALL IL residents must be protected from the environmental hazards and pollutants spewed out by these coal plants.

PLEASE - Do the right thing, reject the "free pass on polluting".

Sincerely,  
Jacqueline Leavy

Subject: No Free Pass for Dynegy to Pollute! Case Number: PCB 2014-010

Dear Illinois Pollution Control Board,

Don't give Illinois coal plants a free pass to pollute. I urge you to reject the request (PCB 2014-010) to let five coal plants violate Illinois air pollution limits for the next five years.

Controls have been available long enough to be put in place--the owners of Dynegy need to make these changes NOW.

Sincerely,  
Darlene Kraemer
