ORDER OF THE BOARD (by B. Forcade):

On July 5, 1988, USI Chemicals Company, now known as Quantum Chemicals Corporation ("Quantum"), filed an "agreed motion to withdraw motion to reconsider, certify or stay without prejudice and to stay proceedings pending finalization of settlement agreement." Quantum represents that the Illinois Environmental Protection Agency does not oppose the motion. Also, Quantum provides a waiver until March 31, 1989.

The motion is granted. Quantum's prior motion to reconsider, certify or stay is withdrawn. This matter is stayed until September 1, 1988, to allow time to finalize the settlement agreement.

IT IS SO ORDERED

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 13th day of July, 1988, by a vote of 7-0.
