OPINION AND ORDER OF THE BOARD (by R. C. Flemal):

This matter comes before the Board upon a fifteen-count complaint filed November 2, 1987. Hearing was held June 13, 1988, at which time a signed* Stipulation and Proposal for Settlement ("Stipulation") was submitted. The Stipulation addresses the facts and proposed terms of settlement in this matter.

The Board has considered all the facts, circumstances, and the proposed settlement in light of the criteria set forth at Ill. Rev. Stat. ch. 111 $\frac{1}{2}$ par. 1033(c) and finds the Stipulation acceptable under 35 Ill. Adm. Code 103.180.

Pursuant to paragraphs 72 and 73 of the Stipulation the Board will accept the Stipulation and dismiss this action. The Board makes no comment on the terms of settlement.

This Opinion constitutes the Board's findings of fact and conclusions of law in this matter.

* The signed copy of the Stipulation contains the notation "Draft" on the cover page. The parties request that the Board ignore this notation, noting that the Stipulation as signed is final, and that the notation was inadvertantly left on the signed copy.

ORDER

The Board hereby accepts the Stipulation and Proposal for Settlement and dismisses this docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Opinion and Order was adopted on the 13th day of July, 1988, by a vote of 7-0.
