HEARING OFFICER ORDER

On December 3, 2021, all parties participated in a telephonic status conference with the hearing officer. The petitioner gave an oral summary of the status and followed-up with a written status on December 14, 2020. Petitioner reports that it is still discussing with the respondent its application that is pending with the respondent for a new CAAPP permit reflecting the current operations at this facility.

The petitioner stated that it will file an additional waiver of the statutory decision deadline to and including May 28, 2021.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 11, 2021, at 10:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
