OPINION AND ORDER OF THE BOARD (by G.M. Keenan):

On June 8, 2016, the Office of the Attorney General, on behalf of the People of the State of Illinois, filed a one-count complaint against the Village of Lakemoor. The complaint concerns Lakemoor’s municipal separate storm sewer system (MS4) which discharges into Sullivan Lake, Likely Lake, Lake Louette, and several other unnamed lake and tributaries in Lake and McHenry Counties. The parties now seek to settle without a hearing. For the reasons below, the Board accepts the parties’ stipulation and proposed settlement.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2014)), the Attorney General and the State’s Attorneys may bring actions before the Board on behalf of the People to enforce Illinois’ environmental requirements. *See* 415 ILCS 5/31 (2014); 35 Ill. Adm. Code 103. In this case, the People allege that Lakemoor violated Section 12(f) of the Act, 415 ILCS 5/12(f) (2014); and Section 309.102(a) of the Board Water Pollution Regulations (35 Ill. Adm. Code 309.102(a)) by the failing to comply with its National Pollutant Discharge Elimination System (NPDES) permit.

On June 8, 2016, the People and Lakemoor filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2014)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2014)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). The Board provided notice of the stipulation, proposed settlement, and request for relief. The newspaper notice was published in the *Elgin Courier News* and *Lake County News Sun* on June 17, 2016. The Board did not receive any requests for hearing. The Board grants the parties’ request for relief from the hearing requirement. *See* 415 ILCS 5/31(c)(2) (2014); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board’s procedural rules sets forth the required contents of stipulations and proposed settlements. *See* 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of Lakemoor’s operations. Section 103.302 also requires that the parties stipulate to facts

called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2014)), which bears on the reasonableness of the circumstances surrounding the alleged violations. Lakemoor does not affirmatively admit the alleged violation. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2014)), which may mitigate or aggravate the civil penalty amount. Lakemoor agrees to pay a civil penalty of \$7,100. The People and Lakemoor have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.

5. Lakemoor must cease and desist from future violations of the Environmental Protection Act and Board regulations that were the subject of the complaint.

Section 41(a) of the Environmental Protection Act provides that final Board orders may be appealed directly to the Illinois Appellate Court within 35 days after the Board serves the order. 415 ILCS 5/41(a) (2014); *see also* 35 Ill. Adm. Code 101.300(d)(2), 101.906, 102.706. Illinois Supreme Court Rule 335 establishes filing requirements that apply when the Illinois Appellate Court, by statute, directly reviews administrative orders. 172 Ill. 2d R. 335.
