ORDER OF THE BOARD (by M.E. Tristano):

On August 5, 2003, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a complaint against Packaging Personified, Inc. (respondent). *See* 415 ILCS 5/31(c)(1) (2002); 35 Ill. Adm. Code 103.204. The People allege that respondent violated various provisions of the Environmental Protection Act and the Board's air pollution regulations. The People further allege that respondent violated these provisions by the construction and operation of emission sources without a permit, and failure to maintain proper records. The complaint concerns respondent's film processing and printing facility at 246 Kehoe Boulevard, Carol Stream, Du Page County.

The Board accepts the complaint for hearing. *See* 35 Ill. Adm. Code 103.212(c). A respondent's failure to file an answer to a complaint within 60 days after receiving the complaint may have severe consequences. Generally, if respondent fails within that timeframe to file an answer specifically denying, or asserting insufficient knowledge to form a belief of, a material allegation in the complaint, the Board will consider respondent to have admitted the allegation. 35 Ill. Adm. Code 103.204(d). The Board directs the hearing officer to proceed expeditiously to hearing.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on August 21, 2003, by a vote of 7-0.
