STATE OF ILLINOIS
Pollution Control Board

Ms. Gunn -

PCB03-221

PC#23

Seniors living in proximity
to Lowe's proposed waste
transfer site are asking
you to please support the
McHenry Cty. Board's decision
to deny.

We have little assets
other than our homes. We
do not believe in Mr. Lowe's
assertion that he can build
an odor, rodent, and pollution
free facility. Please help.
