ORDER OF THE BOARD (by A. Palivos):

On March 26, 2021, the Illinois Environmental Protection Agency (Agency) filed a recommendation on whether the Board should certify specified facilities of the Raccoon Creek Farm, LLC (Raccoon Creek) as “pollution control facilities” for preferential tax treatment under the Property Tax Code. *See* 35 ILCS 200/11-5 *et seq.* (2018); 35 Ill. Adm. Code 125. Raccoon Creek’s turkey farm is located at 8761 4th Road in Summer, Lawrence County. The Agency recommends that the Board deny a tax certificate for turkey housing and manure storage.

If Raccoon Creek wishes to contest the Agency’s recommendation regarding the turkey housing and manure storage, Raccoon Creek must file a petition to contest with the Clerk within 35 days after the Agency served the recommendation on Raccoon Creek. *See* 35 Ill. Adm. Code 125.206(a). If Raccoon Creek fails to timely file a petition, the Board may deny tax certification for the turkey housing and manure storage facility based on the Agency’s recommendation.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on April 15, 2021, by a vote of 3-0.

Don A. Brown, Clerk
Illinois Pollution Control Board
