Re: Notice of Extension of Time to File Permit Appeal
Archer Daniels Midland Company
Peoria Dry Corn Mill and Ethanol Plant Title V Permit
App. No.: 96030038, I.D. No.: 143065AJE

Dear Ms. Gunn:

Archer Daniels Midland Company (ADM) and the Illinois Environmental Protection Agency (Illinois EPA) hereby provide notice to the Board pursuant to Section 40.2(a) of the Illinois Environmental Protection Act (Act) of the extension of the 35-day period to request a hearing to contest the decision of the Illinois EPA regarding the above-cited permit. Illinois EPA issued that permit on December 1, 2003, such that absent the extension ADM would be required to file an appeal by January 5, 2004. Illinois EPA has authorized ADM to represent that it also seeks the requested extension of time and joins in this Notice.

Very truly yours,

Scott A. Roberts
