HEARING OFFICER ORDER

On October 5, 2016, the parties reported that they had met earlier this week. To enable the Board to close older dockets, respondent has been negotiating with petitioners to accept permits pursuant to the original application. The appeal could be dismissed, and respondent would then reopen the permit internally for updates that have occurred since the original application. While petitioner has concerns about accepting a permit containing outdated conditions, the parties will meet next week to discuss this further.

The parties are directed to participate in a telephone status conference with the hearing officer at 10:00 a.m. on November 2, 2016. The status conference shall be initiated by the petitioner.

IT IS SO ORDERED.
