ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on a joint status report, filed by the parties on July 3, 1995. The parties state that since the last status report they have participated in two technical meetings and several telephone conferences to discuss the corrective action portion of a new draft Part B permit. The corrective action provisions have been resolved, and the parties anticipate the draft Part B permit to be issued for public comment on or before August 31, 1995. Once the permit is issued, the parties will file a voluntary dismissal.

The joint status report is accepted. The parties are directed to file an additional status report, either jointly or separately, no later than September 21, 1995. Noting that the parties have already filed eight status reports, this report must indicate an anticipated date of resolution; otherwise, the Board shall set this matter for hearing.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 7th day of July, 1995 by a vote of 7-0.

 Dorothy M. Gunn, Clerk
 Illinois Pollution Control Board
