**HEARING OFFICER ORDER**

On August 3, 2016, the petitioner, Arnold Magnetic Technologies (Arnold), filed an amended motion to stay proceedings (Mot.) and waiver of the decision deadline. Arnold requests that a stay be granted in the above-referenced matter, "including all deadlines and required filings, pending further order from the Board, on the basis the parties are involved in on-going settlement discussions." Mot. at 1. Arnold requests the stay to and including December 15, 2016, and waives the Board's decision deadline in this case until April 27, 2017. *Id.* Arnold further states that the respondent does not object to this motion. *Id.*

I find that Arnold's motion complies with Section 101.514(a) of the Board's procedural rules. 35 Ill. Adm. Code 101.515(a). I further find that Arnold has established a stay is appropriate and grant Arnold's motion and stays this proceeding until December 15, 2016. Any motion to stay this appeal beyond that date must be accompanied by a status report and an additional waiver.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on August 24, 2016, at 10:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
