HEARING OFFICER ORDER

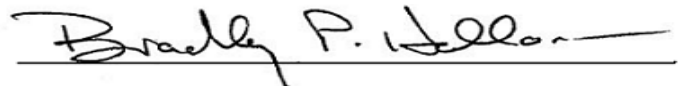

On March 2, 2017, all parties participated in a telephonic status conference with the hearing officer. It was noted that the Governor recently signed legislation affecting variance regulations. The respondent stated that it will now file information with the Board regarding the implications of the legislation.

Petitioner stated that it will file an additional waiver of the statutory decision deadline to and including October 5, 2017.

To that end, it was agreed that respondent's recommendation is now due to be filed on or before June 30, 2017.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on May 18, 2017, at 10:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
